

**DB STEVESTON DRAGON BOAT FESTIVAL**

**2019 TEAM TENT ZONE GUIDE**

Please set up your team tent in your zone! This will help our festival and race teams in locating your team during the event. During your tent setup, please be mindful of our neighbours; if you have to set up before 7:30 AM, please only send a maximum of 2 people into the area, and try and keep noise down until the races start. Remember to pack out what you bring in, and reduce your environmental impact.
